

Aristide KATAGARUKA

ÉTUDIANT EN CLOUD COMPUTING

PROFIL

En chemin vers l'ingénierie Cloud, je vois la technologie comme plus qu'un outil : une façon d'apprendre sans cesse, de collaborer et de transformer des idées en impact.

ÉDUCATION

- | | |
|--|--------------------------|
| ● Brevet de Technicien Supérieur en Cloud Computing
Lycée Guillaume Kroll - Luxembourg | 09/2024 - PRÉSENT |
| ● Diplôme d'accès aux études supérieures (Mention: Bien)
École Nationale pour Adultes - Luxembourg | 09/2022 - 07/2023 |
| ● Licence en Sciences Informatique (4 semestres)
Mount Kenya University Rwanda | 05/2021 - 05/2022 |
| ● Ingénierie logicielle (2 semestres)
Université Adventiste d'Afrique Centrale - Rwanda | 01/2020 - 09/2021 |
| ● Diplôme de fin d'études secondaires
Queen's Park High School - South Africa | 01/2013 - 11/2018 |

COMPÉTENCES INFORMATIQUES

Certifications:

- CCNA: Switching, Routing, and Wireless Essentials
- Python, AZ-900, Word, Word Expert, Excel, Powerpoint

Connaissances techniques:

- Linux & Windows Server (administration, services réseau & web)
- Réseaux (CCNA1-2) : VLAN, routage, sécurité LAN/WLAN
- Virtualisation & Conteneurs : VMware, Proxmox, Docker
- Automatisation : Git/GitLab, Bash, PowerShell, MS Power Automate
- Cybersécurité : durcissement systèmes, chiffrement, RGPD
- Gestion de projet : Agile/Scrum, Jira, ClickUp

Formations complémentaires (Pluralsight)

- Terraform: Getting Started
- AWS Storage Fundamentals, Compute Fundamentals, IAM Fundamentals
- Manage Docker Swarm
- Docker Quick Start, Docker and Containers: The Big Picture
- Cloud-native Architecture and Design Principles
- Microsoft Azure Fundamentals (AZ-900) – plusieurs modules complétés
- CompTIA Linux+

EXPÉRIENCES PROFESSIONNELLES

- | | |
|---|--------------------------|
| ● Digital Inclusion - Luxembourg Ville (Bénévolat)
Spécialiste en réparation informatique | 09/2022 - 12/2022 |
| ● Maison Shalom - Rwanda (Stage)
Spécialiste en réparation informatique | 09/2021 - 03/2022 |
| ● Esta Café - Rwanda - (CDI)
Serveur | 08/2020 - 03/2021 |
| ● Gold Standard Holding (Télécommunications) - Afrique du Sud (CDI)
Agent commercial | 07/2019 - 11/2019 |

Aristide KATAGARUKA

STUDENT IN CLOUD COMPUTING

PROFILE

On my journey to become a Cloud Engineer, I see technology as more than code or servers—it's a way to learn endlessly, work with great people, and turn ideas into impact.

- www.linkedin.com/in/aristide-kata
- 27, rue du Canal, L-9020 Ettelbruck
- 10/12/1997
- Nationality: Burundian

SOFT SKILLS

- Project Management
- Networking
- Teamwork
- Time Management
- Critical Thinking

LANGUAGES

- Luxembourgish - A2.1
- French - C1
- English - C2
- Kirundi - C2
- Swahili - B1

HOBBIES

- Running
- Dancing
- Reading
- Swimming

EDUCATION

- Brevet de Technicien Supérieur in Cloud Computing** 09/2024 - PRESENT
Lycée Guillaume Kroll - Luxembourg
- Diplôme d'accès aux études supérieures (Mention: Bien)** 09/2022 - 07/2023
École Nationale pour Adultes - Luxembourg
- Bachelor's Degree in Computer Science (4 semesters)** 05/2021 - 05/2022
Mount Kenya University Rwanda
- Bachelor's Degree in Software Engineering (2 semesters)** 01/2020 - 09/2021
Adventist University of Central Africa - Rwanda
- High school diploma** 01/2013 - 11/2018
Queen's Park High School - South Africa

HARD SKILLS

Certifications:

- CCNA: Switching, Routing, and Wireless Essentials,
- Python, AZ-900, Word, Word Expert, Excel, Powerpoint

Technical knowledge:

- Linux & Windows Server (administration, network & web services)
- Networking (CCNA1-2): VLAN, routing, LAN/WLAN security
- Virtualization & Containers: VMware, Proxmox, Docker
- Automation: Git/GitLab, Bash, PowerShell, MS Power Automate
- Cybersecurity: system hardening, encryption, GDPR
- Project management: Agile/Scrum, Jira, ClickUp

Additional training (Pluralsight)

- Terraform: Getting Started
- AWS Storage Fundamentals, Compute Fundamentals, IAM Fundamentals
- Managing Docker Swarm
- Docker Quick Start, Docker and Containers: Overview
- Cloud Native Architecture and Design Principles
- Microsoft Azure Fundamentals (AZ-900) - multiple modules completed
- CompTIA Linux+

PROFESSIONAL EXPERIENCES

- Digital Inclusion - Luxembourg City (Volunteering)** 09/2022 - 12/2022
Computer repair specialist
- Maison Shalom - Rwanda (Internship)** 09/2021 - 03/2022
Computer repair specialist
- Esta Café - Rwanda -(CDI)** 08/2020 - 03/2021
Waiter
- Gold Standard Holding (Telecommunications) - South Africa (Permanent)** 07/2019 - 11/2019
Sales agent
